## President's Message

**Dale Gathman**

president@foxvalleyaero.com

*"You make a living by what you get.  
You make a life by what you give"*

— Winston Churchill.

**THANK YOU, THANK YOU, THANK YOU!** I am writing this just 13 days after another tremendously fun and successful Windy City Warbirds & Classics event put on by our club. This three-day event (four if you include preparation of the field)

Flightline at the 2022 Windy City Warbirds and Classics  
Jeff Edstrom photo

is a lot of work, and there is no way we could pull it off without the help of many member volunteers from our club. My sincere thanks go to all of you who helped in any capacity. We had a total of 54 volunteers this year, and that is not unusual. You, our

members, always step up when help is needed. I especially thank our WCWC core committee, who spend hours and hours planning and preparing for the event. This planning starts shortly after the previous year's event. Our WCWC Chairman, John Fischer, leads this team with skill and experience gleaned from attending other club's WCA events as well as managing our own WCWC events. I feel that this event gets better every year, and that is evident from the many email comments John has received from event pilots and attendees following the event.

You may ask "What makes an event like WCWC successful?" Making Money? Having Fun? Large number of Spectators?". This is a good question. The board determines this event successful if we enjoy it, our visiting pilots enjoy it, our spectators enjoy it, and we do not lose money on it.

I have heard that a couple of our members express the opinion that we should not have this event. They do not participate by flying or helping out. I realize there are some members who do not have large scale planes of any type, and I understand that they maybe would rather skip the event. I personally do not understand any of our members not wanting to at least attend the event to experience some of the largest, most awesome RC planes ever built and flown.

On the other side of the coin, I see some of our members have volunteered every year. Some of these members never even fly at our club but continue to support us through dues and volunteering year after year. I had the privilege of meeting one of them this year when I went out to the gate and spent some time with him. He explained that he has a basement full of planes, but just hasn't gotten the time to come out and fly. I encouraged him to make an effort to come out and join us in flying sometime and expressed my appreciation for his membership and service to the club.

At the end of the day, the Fox Valley Aero Club is made up of a diverse collection of members. It cannot exist without volunteers, none of us get paid for the work we do. I again

**(continued)**

(continued from previous page)

sincerely thank all of you who do volunteer in so many ways. I would ask those who do not volunteer to consider where we would be if nobody volunteered. We would not have a club. This brings me to the quote at the beginning of this article. Are you making a living, or making a life?

As far as making the determination of whether the event was successful and whether we should continue to have these events, I would say that every one of our WCWC events have been successful. Even if we only break even and the event seems like a ton of work, we are providing a great service to the spectators who attend the event, many of them residents of the city that leases us the field. We have provided many, many spectators with an experience they will not forget and really appreciate. It introduces some of them to the world of RC for the first time, shows families a hobby that they as a family can enjoy, and has brought many memories to so many veterans who have attended our events and see some of the planes they flew while in the service. (By the way, we did make some money on the event this year – the details will be presented at our member meeting on Thursday, July 7 at the field).

**Memorial Day Parade** – We once again participated in the Memorial Day Parade this year. It was great being able to have the parade again, and there were lots of spectators watching the parade. Thanks to Dave Murray for organizing the parade and sprucing up the float. Look for photos in a future issue of the Flypaper.

FVAC members walk with the Club float in the 2022 St. Charles Memorial Day parade. Doug Swanson photo

**Future Events** – Keep your eyes open for the coming events – Fun Fly #2 and 3, Retro Fly, Family Fly Day, Cub Fly, Night Fly, Wings & Wheels-Festival of Flight,

Tailgate Swap Meet at the field, and Turkey Fry. Our full calendar is available on the website, as well as published in our Flypaper issues.

Please remember to look for new members at the field and introduce yourself. Also watch for new flyers who may need your help or advice. If you can train people to fly, we have a few new members who need your help. Get in touch with me and we can talk.

I hope to see you at the July Member Meeting on the 7th at the flying field, and please bring your new planes and projects to show to the group.

Dale

**Watcha got?**

## From the Editor

**Doug Swanson**  
newsletter@foxvalleyaero.com

Hello, This month I submit a combined, two-month issue for June and July.

Thank you to Kevin Hersey for the photo and story behind his and Cliff Fullhart's aircraft (see right).

Thank you, as well, to Dale Gathman for the write-up and photos on our club Cookout - Awards and Raffle, held at the end of April. See this feature on page 6.

I attended the Kishwaukee Flyers Electric Fly in June. Below is a photo from that outing, as well as a 'Shot of the Month' at the end of this issue (page 15).

Thanks for reading this issue. See you at the field soon! Doug

## Member Projects by Kevin Hersey

Flashback a year when an estate sale Taylor Craft was purchased. It was adorned in a much-wrinkled orange covering and missing some important bits. A quick flip I thought. A borrowed engine was installed, along with a few used servos and receiver. After a test flight the TC flew great, but didn't look the part. Given the plane's appearance and mismatch of parts, I began to refer to the plane as the Orange Crate.

Given the plane's great handling and repeated landing on the mains, a winter project was launched to restore the Crate to its previous glory.

Sharing the project with my flying buddy, Cliff Fullhart, a plan was hatched to create a second Crate. Cliff's project was to restore a "framed up" Cub he had acquired. What better than an orange Cub?

The photo speaks for itself. The orange covering is highly visible in the air and looks GREAT (writer's opinion). Anywho, graphics were needed to complete. A call to Callie Graphics, the TC was designated "The Original Orange Crate" and the Cub, "Orange Crate Too"!

Throw down your foamies, ditch the electric motors and restore yourself a classic!

## Treasurer's Report

**Joe Pedone**

treasurer@foxvalleyaero.com

Normally I am starting off these reports with some comment about the cold windy weather and hoping for nicer days. Well I'm finally able to say the nice weather is

upon us, and like many of you, I've been spending considerable time at the field enjoying the best of what mother nature brings us. I feel privileged to live relatively close to the field, so at times I'll swing out at sun-up with the "electric guys" or a little later in the day and bring out a larger gas plane. A couple days ago I came back out at dark for my first night flight of the year amongst the fireflies. But no matter what time I'm there, it's always great to have the opportunity to touch base with other members at the field and talk RC. Now that summer is in full swing, it's certainly been enjoyable reconnecting with fellow members.

From the Treasury standpoint, we are just past the halfway point in our fiscal year, and the checkbook balance is on track to where we expected to be. We did make a slightly higher investment in maintenance supplies to spruce up the shelter with new paint, but I think you will all agree it looks great, and well worth the effort. Thanks to all that helped with the painting, and with the many other field projects completed so far this year. Our whole facility looked better than ever going into the Windy City Warbird event.

For the month of June, most of our expense and income was related to the Windy City Warbird event. Our goal with this event is give something back to the community and spectators, and create a fun experience for all attendees, whether they are pilots, spectators, and FVAC members. We normally generate enough income to cover our expenses, and this year was no exception. With having

such a great turnout on Saturday, we easily covered our expenses for this year's event, and had a few extra bucks to add to the bank account.

Unfortunately for me, I ended up having to miss this year's WCWC event due to contracting Covid just before the start. I had to settle for watching it through the webcam. At least that allowed me to stay connected to the action, but I certainly missed being there with the team, and getting some flights in. So now I'm really looking forward to Air Supremacy (Goshen) and other upcoming WCA. I also have another new (for me) plane that qualifies to fly at upcoming Warbird & Classic events. I purchased a Great Planes Super Stearman from member John Anzalone, and have really been enjoying flying this classic biplane. A welcome addition to my fleet!

Also related to WCWC, I want to provide my personal thanks to all the members that volunteered their time during the weekend. An event like this can not be accomplished without a lot of member support, and we hear constantly from visiting pilots how lucky we are to have such dedicated volunteers. I agree, and wanted to express my thanks as well!

# FVAC Cookout 2022

report by Dale Gathman

photos by Dale Gathman  
and Doug Swanson

Our annual Cookout was held on April 30. This year, rather than cooking over the hot grills, Rich and Jan Gabrys volunteered to purchase Ham and Chicken. They cooked the Ham at their house and brought all the meats expertly prepared and ready to eat. Debbie, John, and Katie Howe and Rich and Jan Gabrys worked to set up the food as our members brought all of their delicious food items to share. The tables had been set up in the shed the day before by a group of member volunteers - thank you Mark Knoppkie and the guys who helped.

(continued)

Following the meal, we took advantage of this time to introduce the 2022 board members, and to present the awards that we would have given out at the Christmas Party. The following awards were presented:

**Fun Fly #1 – One Minute Timed Flight (modified)**

- 1st Place – Dale Gathman
- 2nd Place – Jeff Peca
- 3rd Place – Dan Compton

**Fun Fly #2 – Bomb Drop**

- 1st Place – Jeff Peca
- 2nd Place – Kevin Kessler
- 3rd Place – Dale Gathman

**Fun Fly #3 – Climb & Glide (modified):**

- 1st Place - Jeff Mrachek
- 2nd Place – Orvil Fluharty
- 3rd Place – Rob Sampson

**Fun Fly Grand Champion 2021 – Jeff Peca**

**Frozen Fingers – First-in-Flight 2021 – Jeff Mrachek**

**Frozen Fingers – First-in-Flight 2022 – Scott Stampfli**

Note: Dale presented the club with a new Frozen Fingers Plaque that lists all of the past winners starting with year 1992.

**Members Choice Award 2020 – Dale Gathman**

**Presidents Choice Award 2020 – Joe Pedone**

**Top Gun Award 2020 – Armin Weber**

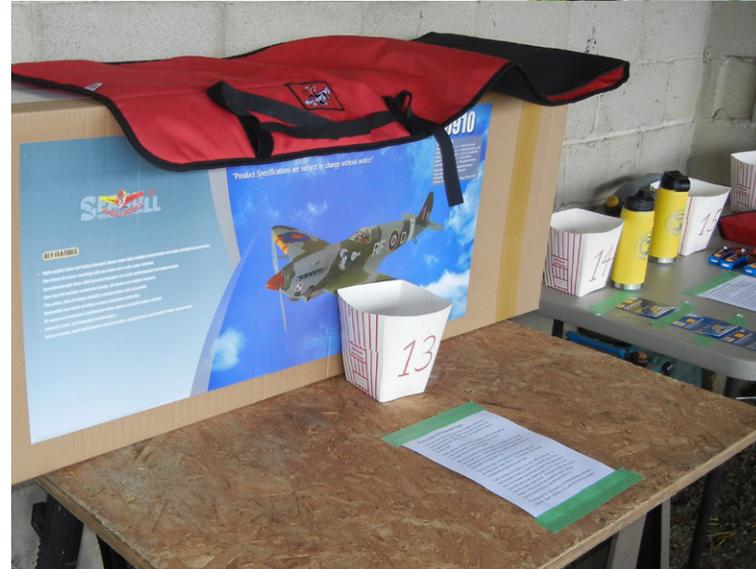

**Members Choice Award 2021 – Dave Murray**

**Presidents Choice Award 2021 – Mark Knoppkie**

**Top Gun Award 2021 – Rich Gabrys**

As we had not been able to have our Christmas Party Raffle last year, we decided to have the raffle as part of the Cookout. Debbie, John and Katie Howe handled the purchase of the raffle prizes and the running of the raffle, as they have for the Christmas parties. Jeremy Dale at Hobbytown and Mike Mueller at Gator RC worked with Debbie to get us a bunch of raffle items at a reduced cost, which enables us to give out prizes valued in excess of our total cost. Mike Bargman also donated some awesome insulated water bottles engraved with our FVAC logo as well as providing a huge discount on a custom transmitter case (The winner is able to request whatever they wish to have engraved on most of the surfaces). The raffle was held following the awards, and all of the attendees had a great time. We had a total of 76 people register for the cookout, and a few could not make it and a few others came in their place, so overall we probably had around 80 attendees. The weather cooperated, as it was raining before the cookout, the sun came out just in time for the meal and stayed out just long enough to allow us to complete our festivities. Many thanks go to all of the volunteers who helped, and to you who attended. This was a great way to open our flying season and spend some time with our fellow flyers and their families. (Note: At the June board meeting, the board has decided to cancel the Hilton Garden Inn Christmas Parties and to permanently move the 'Christmas Raffle' to the Annual Cookout). ✈

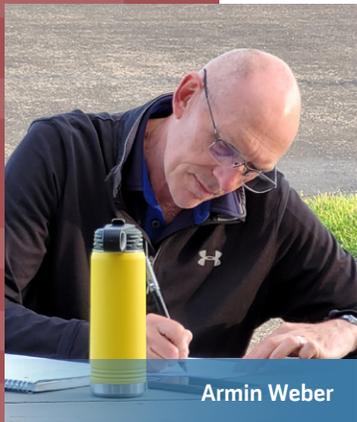

## Secretary's Report

**Armin Weber**

secretary@foxvalleyaero.com

Fox Valley Aero Club  
Member Meeting Minutes  
June 9, 2022 at  
Fox Valley Aero Club Field

Armin Weber

1. **Welcome Members and Guests** – Dale Gathman.  
Dale Gathman called the meeting to order at 7:30pm.
2. **Approval of Member Meeting Minutes from May 12, 2022** – Armin Weber.  
Dale Gathman asked for a motion to accept the May Member Meeting minutes. Motion made by Bill Suhr, second by Dave Cotton, all accepted.
3. **Treasurer's Report** – Dale Gathman for Joe Pedone.  
Have not received any invoices from Sanchez Mowing. Receiving income from WCWC pilot registration, shirt sales, ticket pre-sales.

Various bills for WCWC expenses. Motion to accept made by Alvin Cole, second by Rob Sampson, all accepted.

4. **Safety Chairman's Report** – Jim Thompson.  
No report
5. **Christmas Party/Raffle Update** – Dale Gathman.  
The following was decided at

Dale Gathman

the BOD meeting:

- a. Move the Raffle to the Cookout.
  - b. Cancel Hilton Garden Christmas party, Will save the club around \$3000 per year.
  - c. Christmas party will be held at Rookies.
6. **Government Relations Chairman's Report** – Tom Spriet.  
Tom Spriet reported he will begin a dialog with the town of Saint Charles regarding the field lease. He suspects they will not want to discuss until we are closer to the expiration date.
  7. **Membership Chairman's Report** – Dave Cotton.
    - a. New Members: None this month – Member count at 192. All un-renewed removed from roster.
    - b. Billy Mikesell Report – Dale Gathman.  
Dale Gathman reported that Bill Mikesell is suffering from Dementia/Alzheimer's and will be moving to a VA Facility for care. His remaining RC items will be given away. The planes are gone, but he has tools, balsa wood, and books.
  8. **Field Chairman's Report** – Mark Knoppkie.

- a. Mowing Crew – Mark asked for more help on the mowing crew. Have 4 volunteers need about 10. If we have 10

Tom Spriet

Dave Cotton

(continued)

(continued from previous page)

volunteers, each person should need to mow about once per month.

- b. Field in Great Condition.
- c. WCWC Prep – two additional Porta Potties, Trash Barrels, Handwash Station, Fire Extinguisher Check. Field will be mowed on Wednesday and crew will sweep grass. Extra Porta Potty service on Friday.
- d. The City will be filling the pot holes on the access road.
- e. Mark reminded members that Dog waste bags are available in the pavilion.

Mark Knoppkie

9. **Flypaper Editor's Report** – Doug Swanson.

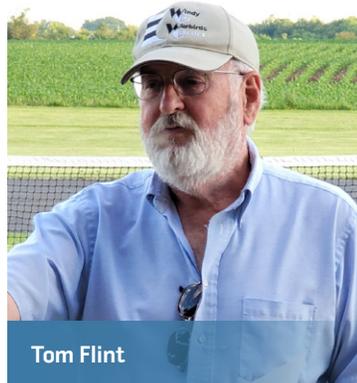

Doug Swanson would like to step down as editor and is looking for a replacement.

June issue is a little late and may be combined with the July issue.

If you have submissions for the *FlyPaper*, submit to Doug Swanson.

10. **Public Relations Chairman's Report** – Tom Flint.

Tom Flint has placed the WCWC event on the channel 5, 7 & 9 news calendars. Tom also encouraged members to list the WCWC event on their neighborhood "Patch" pages.

Tom Flint

11. **Fun-Fly #1 – Greaser Report** – Dale Gathman.

21 contestants participated in the Fun-Fly. Two rounds were flown. The contestations judged the event. Winners in order were: Jeff Mrachek, Dale Gathman, Dominick Silvestri, Rob Sampson, Dave Jacobsen.

Action during Fun-Fly #1 - Greaser. Two lines of peer judges intently watch as Rob Sampson flies his round. Tom Spriet webcam capture

12. **Windy City Warbirds & Classics Report** – John Fischer.

- a. 66 Pre-registered Pilots. Pre-sale tickets are selling well.
- b. John Fischer asked for volunteers.
- c. Prizes for Trivia (Katie Howe) – Pilots and Crowd. (WCWC Stickers, Posters, Flight Tickets, Festival tickets).
- d. Armin Weber reported the pilot prizes are framed and ready for the event.
- e. John Fischer encouraged members to post the event on their neighborhood "Patch" web page.
- f. Mike Mueller (Gator RC) and Jeremy (Hobby Town) will be donating some prizes.
- g. The flight line will change slightly, allowing for smoother operations.
- h. Email will be sent to pilots to show off the excellent condition of the field.
- i. A special thanks went out to Todd Culbertson for providing all of the flyer and Ace pilot tally sheets.

John Fischer

13. **Electric-Only Event** – Jim Thompson.

Dale Gathman reported – the Electric Only event will be held July 2 from 10 – 2, as a sanctioned event. \$10 landing fee for pilots.

New welcome banner and information sign by Todd Culbertson

(continued from previous page)

### Show & Tell

Alvin Cole showed a very nice Cessna 182, red and white Ultrakote covering and electric power.

Alvin Cole

Dale Gathman asked for a motion to adjourn. Motion by Bill Suhr, second by Dave Cotton. All agreed.

Meeting was adjourned by Dale Gathman at 8:15.

Minutes submitted by Armin Weber – Secretary.

---

*Editor's note: The following is a reprint of the May member meeting minutes previously emailed separately before the June meeting for approval by the membership. It is included below as its official inclusion in this publication.*

---

Fox Valley Aero Club  
Member Meeting Minutes  
May 12, 2022 at  
St. Charles Township Hall

1. **Welcome Members and Guests** – Dale Gathman.  
Dale Gathman called the meeting to order at 7:40 pm.  
Dale Gathman asked for volunteers for the WCWC event – signup list was passed around.
2. **Approval of Member Meeting Minutes from April 14, 2022** – Armin Weber.  
Dale Gathman asked for a motion to accept the April Member Meeting minutes. Motion made by Bill Suhr, second by Steve Haas, all accepted.
3. **Treasurer's Report** – Joe Pedone.  
Current balance is similar to this time last year. 25 members did not renew membership.  
Discussion: Quotes for sealcoating ranged from \$5,249 to \$6,345. We are 2 years from the end of the lease. There is concern about spending if the lease renewal request is not approved. The board decided to revisit sealcoating after the WCWC event, and income is known. Dale Gathman asked for a motion to accept the Treasurer's Report. Steve Haas moved, second by Bill Suhr, all approved.

(continued)

(continued from previous page)

4. **Safety Chairman's Report** – Jim Thompson.
- Treeline/Berm Orientation Report – Dale Gathman - 14 pilots participated.  
Dale Gathman reported the new Encroachment Penalty policy is complete and if the board does not find any issues with the form, the policy will be emailed to the membership.

Kevin Hersey reminded members to be careful with LiPo batteries, a modeler recently had a LiPo battery short-out on his wedding ring.

5. **Government Relations Chairman's Report** – Tom Spriet.  
No report.
6. **Membership Chairman's Report** – Dale Gathman for Dave Cotton.
- New Members: None this month – Member count at 220.  
We will begin to remove the 25 non renewing members from the roster.

Welcome new member – David Kucan. Long time modeler, who started with rubber escapement models. He began flying at Checker-board field.

7. **Field Chairman's Report** – Mark Knoppkie.  
Kark Knoppkie reported the pavilion painting will be completed in the next few weeks.
- Mowing Crew needed.  
We need 8-10 members to mow the field, we currently have 2.
  - Field Workday Report.  
Had a good day. Mark Knoppkie thanked workers.
  - Sealcoat Report.  
Quotes for sealcoating ranged from \$5,249 to \$6,345. The board decided to revisit sealcoating after the WCWC event, and income from the event is known.

8. **Flypaper Editor's Report** – Dale Gathman for Doug Swanson.  
Dale Gathman asked for volunteers. No response.

9. **Public Relations Chairman's Report** – Tom Flint.

Tom Flint showed the Ace tabulation sheet and awards for the upcoming Windy City Warbirds and Classics event (WCWC). Available for purchase will be event shirts, hats, and posters. We now accept Cash, Check, and Credit Card.

10. **Fun Fly #1 Date Change** – May 22 to June 5. Date changed due to the Warbirds over Horizon event.
11. **Cookout/Awards/Raffle Report** – Dale Gathman/Debbie Howe.
- Thanks to the Howe Family and Rich & Jan Gabrys.
12. **Windy City Warbirds & Classics Report** – John Fischer.
- Volunteers Needed.  
Volunteer list was passed around during the meeting.
  - Proposed Layout for Flight-line.  
The field layout will remain the same.  
We currently have 60 pre-registered pilots. Members were encouraged to purchase advanced tickets at a reduced rate, \$5 each. Hand these out to friends, neighbors, and family. Shirts are available for purchase now. Hats and event posters will be available shortly. Thanks to Todd Culbertson for providing all the printed material.

13. **Festival of Flight Report** – Jim Thompson.  
No report.

#### Show-N-Tell:

Jeff Mrachek demonstrated the battery dischargers from iSDT RC Products. Typical Chargers will take a long time to discharge batteries. The devices from iSDT will discharge your batteries in minutes.

The cost is \$35 for the small and \$80 for the large.

Motion to adjourn by Tom Flint, second Jeff Peca, all approved.

Meeting was adjourned by Dale Gathman at 8:40pm.
