Family Fun Fly

What to Expect: In years past, this has been a kids event. But we didn't say no to any family member who wanted to fly—so now it is a Family Fun Fly. You'll sign in, receive Pre-Flight Instruction, then you're moved to the Flight Line and a Trained Instructor will give you your "BUDDY BOX" radio—connected to THEIR RADIO. At the Push of his Button, YOU WILL BE FLYING!! The Instructor can Push the Same Button to Get You Out of Trouble. Before you fly, you will raise your hand and repeat after me, "IF MY PLANE CRASHES, ITS NOT MY FAULT! So, have no fear—you'll do great!

Directions: Go West on Rt. 38 from Randall Road, Pass Peck Rd Stop Light about ¼ Mile, Turn Left onto Karl Madsen Drive (Salt Barn) follow the signs to the end—parking is plentiful in lot or designated grass spots.
